

Information about SAL / SCC for S23

SALs for VIE, GRZ, INN, KLU, LNZ and SZG were sent out on Friday, October 28th, 2022.

Following, some information regarding the feedback to the SALs:

All O and H data lines shown on the SAL will be automatically put on the waitlist for possible later improvement. Therefore SCR-reply with code P is NOT necessary!
If you do not want to be placed on the waitlist / if you can accept the offered timings, please send us an SCR-reply with code A.

ATTENTION – Specific arrangements for S23

Capacity parameters:

The SALs are based on the existing and publicly available capacity parameters at the given airports for S23.

Therefore, the SAL data are subject to possible changes of parameters due to the COVID-19 crisis and its consequences.

Possible changes of the legal situation or developments of guidelines (ie EUACA or IATA) or changes of the consequences of the COVID-19 Pandemic will be published on our homepage.

Please check it regularly.

IATA 151 Slot Conference (SC151)

Kai Westermann, Andreas Sager and Barbara Hörmadinger will participate at the Slot Conference in Melbourne (Meeting Room 107, Level 1).

Please contact us via e-mail if you need some more information.

Best regards and stay safe!
