

SCA/WG/AS/132/13<sup>th</sup> December 2021

## INFORMATION TO ALL CUSTOMERS

The pandemic situation of the COVID-19 crises is still very critical all over the world and several countries are raising or keeping entry restrictions.

Therefore, Schedule Coordination Austria will accept:

- The application of JNUS until 30<sup>th</sup> January 2022 for flights from/to destinations, which require a quarantine obligation beyond the normally envisaged vaccination obligation, or which do not allow entry;
- In addition, we accept a "recovery period" of 14 days for such flights, i.e. from January 31 to February 13, 2022 inclusive.

We would like to draw the attention all carriers are still requested to cancel their allocated slots, they are not planning to operate as soon as possible.

We will closely monitor the developments and plan to re-evaluate the situation mid of January 2022.
