

KOORDINIERUNGS-AUSSCHUSS FLUGHAFEN WIEN

Dear Sir/Madame,

As the Covid-19 crises still limits the possibility of physical meetings we inform you that the Chair of the Coordination Committee for Vienna Airport together with us took the decision to cancel the 21st Meeting of the Coordination Committee, planned for September 23rd, 2020.

Vienna Airport informed us formally, that no changes to the available capacity for the seasons W20 and S21 are planned.

The Regulation of the European Union 2042/459, published on 31st March 2020 regarding the introduction of the so called "waiver of 80/20 rules" of certain flights is still in force and we will keep you informed about any changes of the regulation as soon as they are formally published.

Best regards

Wolfgang Gallistl

Managing Director
