

Information about SAL / SCC for W22

SALs for VIE, GRZ, INN, KLU, LNZ and SZG were sent out on Thursday, June 09th, 2022.

Following, some information regarding the feedback to the SALs:

All O and H data lines shown on the SAL will be automatically put on the waitlist for possible later improvement. Therefore SCR-reply with code P is NOT necessary!
If you do not want to be placed on the waitlist / if you can accept the offered timings please send us an SCR-reply with code A.

ATTENTION – Specific arrangements for W22

Capacity parameters:

The SALs are based on the existing and publicly available capacity parameters at the given airports for W22.

Therefore the SAL data are subject to possible changes of parameters due to the COVID-19 crisis and its consequences.

Possible changes of the legal situation or developments of guidelines (ie EUACA or IATA) or changes of the consequences of the COVID-19 Pandemic will be published on our homepage.

Please check it regularly.

IATA 150 Slot Conference (SC150)

Kai Westermann, Andreas Sager and Petra Vollmost will participate at the Slot Conference in Seattle (Meeting Room 203, Level 2).
