GA/BA Beschreibung im Online Help System, und FAQs

The screenshot shows the OCS online help system navigation menu. The top navigation bar includes 'hts', 'GA/BA Flights', 'Information', and 'Downloads', with a question mark icon. A dropdown menu is open, showing 'Online Help', 'Contact Us', and 'FAQ'. The main content area displays the OCS logo and a search bar with 'Contents', 'Index', and 'Search' buttons. A list of topics is shown, with 'View GABA Flights' highlighted. The list includes: Online Coordination Help, General Information, Flight Options, Flight Availability, Add Flights, Edit Flights, Reporting, Slot Monitoring, Runway Availability, Pax Availability, Initial Submissions, Airlines, GABA, View GABA Flights, Download GABA Flights, Add GABA Flights, Edit GABA Flights, Request Response GABA, Request confirmation GABA, Additional Information Codes, Common Service Types, Aircraft Type Codes, and Reason Codes.

The screenshot shows the OCS online help system FAQ page. The top navigation bar includes 'Availability', 'Flights', 'GA/BA Flights', 'Information', and 'Downloads', with a question mark icon. The main content area displays the OCS logo and a search bar. A sidebar on the left lists 'Frequently Asked Questions' with categories: General Questions, How To Apply, Functionality of the System, Technical Questions, and Help & Support. The main content area contains three FAQ items: 'What is the minimum PC specification required to run OCS?', 'Can I access OCS from more than one computer?', and 'Who do I contact if I have a question or a problem?'. The first item states that the minimum PC specification is recommended in the 'Technical Requirements' page. The second item states that OCS can be accessed from any computer connected to the internet, but only one session at a time is permitted for any individual user. The third item states that the 'Contact Us' link provides an email form to contact the OCS Portal Administrator, as well as a phone number to contact the Customer Service Centre, which operates between 0800 and 1800 UK local time.
